- ii Learn how to save energy and get information about energy efficiency rebates on our website, ppllectric.com.
- ii Before digging around your home or property, you should always call the state's One Call notification system to locate any underground utility lines. You can do this by simply dialing 811, which will connect you to the One Call system. Be safe and call 811 before you dig.
- ii A fireplace can lose more heat up the chimney than it provides. Glass doors and tight fitting dampers help reduce heat loss when you are not using it.

General Information

Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utility Commission regulates distribution rates and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

PPL Electric Utilities uses about \$1.05 of this bill to pay state taxes and about \$6.38 is used to pay the PA Gross Receipts Tax.
